Supporting Evidence: On June 10, 2011, the U.S. Probation Office was notified that the offender's urine sample that she submitted to PHS staff on May 27, 2011, was confirmed positive for Synthetic Cannabinoids (K2/Spice).

This officer was notified by PHS staff that Kimberly Crump submitted a urine specimen which revealed presumptive positive findings for marijuana on June 10, 2011. Laboratory results are pending on this urine sample.

On June 14, 2011, this officer met with Ms. Crump in the probation office. She informed this officer that she has been purchasing Zannie's "Zombie Matter" and ingesting this item for the past year, at a rate of 3 times per week. She further relayed that she has not used marijuana for over 1 year. However, Kimberly Crump commented that "Zombie Matter" has made her sick, and she quit ingesting this on June 8, 2011. Ms. Crump denies using K2/Spice or marijuana.

The U.S. Probation Office respectfully recommends the Court issue a summons requiring the defendant to appear to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
